

PRODUCT OVERVIEW:

To help replenish key nutrients and kick start your body upon waking and throughout the day, Vemma Bod•ē Burn supports healthy weight management as part of the Vemma Bod•ē 12-Week Transformation Plan.* It features a first-of-its-kind ingredient blend including three forms of protein, seven grams of soluble fiber, one ounce of the clinically studied Vemma formula along with supporting weight loss ingredients to keep your body in high gear. Available in a lightly carbonated 8.3-oz. beverage or super convenient 3-oz. concentrate, just 2 servings a day will get you on your way to achieving your desired weight!†† If you are caffeine-sensitive, Bod•ē Burn is also available in a 3-oz. concentrate with zero caffeine.

ENHANCE YOUR BODY'S BURN POTENTIAL*:

Bod•ē Burn supports healthy insulin levels in the normal range and helps manage your weight by*:

- Enhancing** your body's burn potential.*
- Curbing** your appetite.*
- Increasing** your energy.*
- Providing** nutritional support.*

TRANSFORM YOUR BODY:

Imagine having tons of energy and being excited about transforming your look ... and your life. The Vemma Bod•ē 12-Week Transformation Plan is not another bar or shake meal replacement strategy that tells you to replace the foods you love with a monotonous meal replacement program. In contrast, it allows you to eat smaller meals more often thus giving you a satisfied feeling instead of hunger or deprivation so many other weight management programs leave you with. It's a first-of-its-kind, healthy weight solution that challenges what has been done before and instead, delivers results-driven products with a sustainable plan to make achieving a healthy weight something you can succeed at, long-term.**

The Bod•ē 12-Week Transformation Plan and Bod•ē products were developed by Vemma Chief Scientific Officer Yibing Wang, M.D., Ph.D., with Eastern (cardiology) and Western (genetic obesity) wellness expertise, and in collaboration with experts in nutrition, weight management and fitness. Having the multidimensional benefits needed to tackle the challenge

The Vemma Formula Inside seal guarantees you've received the clinically studied blend of 12 full-spectrum vitamins, over 65 plant-sourced minerals, mangosteen superfruit and organic aloe in every serving.

of achieving a healthy weight without sacrificing wellness, the Vemma Bod•ē 12-Week Transformation Plan in combination with the specially formulated Bod•ē products harnesses the powerful concept of food cycling to help you shed those hard-to-lose pounds and transform your body.*†

CLINICALLY STUDIED:

The Vemma Clinical Trials were conducted by one of the industry's most widely recognized experts in independent clinical testing: Brunswick Laboratories in Norton, Mass. The intention of these studies was to evaluate the efficacy and overall bioavailability of Vemma on immune function and well-being in adults. This was done by subjecting the product to the highest standard of clinical research—independent, double blind, placebo-controlled study. The studies confirmed Vemma showed significant improvements in immune markers, superior antioxidant absorption and a lowering of C-reactive protein (CRP), which points to its beneficial effects on overall health and wellness.*

KEY INGREDIENTS:

Mangosteen superfruit — An abundant supply of wildcrafted whole fruit mangosteen and beneficial pericarp (rind) extract that provides some of the highest quantities of phytonutrients (xanthenes) found in nature.

20 grams of protein — A blend of three protein sources - hydrolyzed collagen, pea and rice protein - work to suppress your appetite and protects against muscle loss.*

7 grams of soluble fiber — A dietary fiber source to help you feel fuller and satisfied longer while supporting healthy insulin levels in the normal range.*

100 mg of natural caffeine with EGCG and Conjugated Linoleic Acid (CLA) — Supports healthy weight loss and fires up your energy level.*

L-Theanine — Enhances mental alertness and focus.*

Resveratrol — Equivalent to the amount of 20 glasses of red wine, this naturally occurring compound found in the skin of grapes and other fruits is thought to promote anti-aging and have strong, restorative antioxidant properties.*

12 full-spectrum vitamins (including antioxidant vitamins) — Vital for health and well-being.*

Plant-sourced mineral blend — Over 65 major, trace and ultra-trace ionic, life-giving nutrients.

Phytonutrient ingredients — A blend of powerful plant and natural components that help promote good health.*

Organic aloe vera — Powerful glyconutrients known to provide the body with many beneficial effects.*

Organic green tea — For additional antioxidant power and phytonutrient protection.*

MANGOSTEEN SUPERFRUIT POWER:

Mangosteen is a rare superfruit primarily found in Southeast Asia and scientifically known as *Garcinia mangostana*. No relation to the mango, it has been hailed as the “Queen of All Fruits” and has been used for centuries by Asian health practitioners to treat a variety of health conditions.*

Of all the known sources for xanthenes, the mangosteen supplies some of the highest amounts found in nature. Xanthenes are a biologically active phytonutrient with very potent antioxidant properties. Vemma’s source of mangosteen is wildcrafted, which is the practice of harvesting plants and fruits from their natural or “wild” habitats, where pesticides are not applied.

The entire wildcrafted mangosteen fruit, including the pericarp (rind) and pulp, is utilized during Vemma proprietary extraction process. Pioneered by Vemma Chief Scientific Officer, Yibing Wang, M.D., Ph.D., this intricate method helps ensure that the highest levels of xanthenes and other phytonutrients are included in the Vemma formula.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

THE SCIENCE OF MINERALS:

Your physical well-being can be more directly dependent upon the minerals you take into your body than almost any other factor. Minerals help support the health of organs, bones and the immune system.* Vemma has a unique mineral blend to help enhance your overall health.* It contains 100% ionic, life-giving minerals that are reduced to the smallest, most bioavailable form. Vemma’s minerals are sourced from plant vegetation that has been undisturbed for thousands of years. These unprocessed phytonutrients include over 65 major, trace and ultra-trace, plant-sourced minerals.

- The body cannot survive without nature’s fundamental minerals, yet it cannot manufacture minerals. They must be obtained from the diet or through supplementation.
- Modern-day diets may lack the appropriate balance of minerals due to mineral-depleted soils and over-processed foods.
- Minerals are needed for energy production, protection from free-radical damage and other vital functions.*
- Minerals provide a foundation for your optimal health.*
- The liquid form is more bioavailable than caplets or tablets — easy to take and easy for the body to use.

FREQUENTLY ASKED QUESTIONS:

Bod•Ē Burn Questions

Why should I take Bod•Ē Burn?

Bod•Ē Burn may be the right choice for you if you are seeking a healthy weight solution to help manage and achieve a healthy weight for your body type, while receiving the supplementation support your body needs.*

How quickly should I see results? Does Bod•Ē Burn work for everyone?

Most people typically see results within the first week; however, since everyone is different physiologically, individual results may vary.

Can I take Bod•Ē Burn daily?

Yes, the product can be consumed daily, as directed on the product label.

Can I take Bod•Ē Burn concentrates as a shot instead of mixing with 5 ounces of water?

The concentrate flavoring is designed to be added to 5 ounces of cold, purified water and consumption of the stand-alone shot may not provide the same great taste. Proper hydration is essential to product efficacy and Vemma Bod•Ē 12-Week Transformation Plan success. If you prefer to take Bod•Ē Burn concentrates as a stand-alone shot, we recommend following it with at least 5 ounces of cold, purified water immediately thereafter.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Where does the caffeine content in Bod•Ē Burn come from?

Bod•Ē Burn yields the equivalent of 100 milligrams of natural caffeine, along with energy support from EGCG. The caffeine is naturally derived from the coffee bean. We chose to use this source of caffeine since it is a natural ingredient that is most compatible with the formula and flavor of Bod•Ē Burn.

Is caffeine bad for me?

Some people are sensitive to caffeine, but in moderate doses it may benefit people interested in enhanced vitality, performance and alertness.* If you are caffeine-sensitive, Bod•Ē Burn Zero Caffeine is available in a 3-oz. concentrate.

What are antioxidants?

Antioxidants are substances found in nature that may protect cells from the damage caused by unstable molecules known as free radicals.* Free radicals are a by-product of over-exercise, stress, and exposure to dirty air and other environmental pollutants. Bod•Ē Burn contains ingredients that possess antioxidant properties and may help fight free radicals in your body.*

What are xanthenes?

Bod•Ē Burn products contain xanthenes, which are natural phytonutrients found in the mangosteen fruit that work to help protect your body.*

[FAQs Continued >](#)

Where do the phytonutrient-rich antioxidants in Bod•ē Burn come from?

They come from the xanthone-rich mangosteen fruit, organic aloe vera and organic green tea. Phytonutrients are plant compounds which are thought to possess beneficial qualities.

Which minerals are included in the Vemma mineral blend?

The Vemma formula contains over 65 major, trace and ultra-trace minerals. Because we source our minerals from naturally occurring vegetation, the level of individual minerals may vary slightly from batch to batch. The Vemma formula proprietary mineral blend contains the following minerals:

Carbon (Organic), Calcium, Sodium, Sulfur, Magnesium, Chloride, Bromide, Fluorine, Iodine, Potassium, Niobium, Aluminum, Iron, Phosphorus, Silica, Manganese, Boron, Strontium, Titanium, Tungsten, Copper, Zinc, Tin, Zirconium, Molybdenum, Vanadium, Chromium, Selenium, Nickel, Cobalt, Lithium, Gallium, Barium, Yttrium, Neodymium, Hafnium, Cadmium, Thorium, Antimony, Cerium, Tellurium, Beryllium, Samarium, Dysprosium, Erbium, Bismuth, Gadolinium, Cesium, Lanthanum, Praseodymium, Europium, Lutetium, Terbium, Ytterbium, Holmium, Thallium, Thulium, Tantalum, Germanium, Gold, Platinum, Rhodium, Rubidium, Ruthenium, Scandium, Silver and Indium.

Is it necessary to take a multivitamin if I am taking Bod•ē Burn?

Bod•ē Burn contains one ounce of the Vemma formula. We recommend two servings of Bod•ē Burn per day which is the equivalent of the recommended 2-oz. daily serving of the Vemma formula. We suggest consulting with your healthcare provider if you have additional questions regarding your specific regimen.

What is the sweetener used in Bod•ē Burn and why did you choose that source?

Bod•ē Burn and Bod•ē Burn Zero Caffeine are sweetened with the combination of organic evaporated cane juice and sucralose.

After extensive research and testing during the product development phase, organic evaporated cane juice and sucralose were chosen as the best alternative non-sugar sweeteners for these products. Many of the other non-calorie sweeteners did not meet our criteria for compatibility with Bod•ē Burn formulations. The use of premium ingredients, formula efficacy and flavor in the Vemma products are our highest priorities. Vemma Research & Development thoroughly reviews scientific data for all potential ingredients.

The use of sucralose is well documented in numerous scientific studies conducted over a 20-year period. It is approved for use in over 80 countries and deemed appropriate for use by all consumers by such health authorities as the World Health Organization, United States Food and Drug Administration (FDA) and the European Food Safety Authority (EFSA).

Some will tell you that organic cane juice is considered one of the healthiest alternatives to refined sugar. While both sweeteners are derived from sugar cane, organic cane juice does not undergo the same degree of processing as refined sugar. Therefore, unlike refined sugar, organic cane juice retains more of the nutrients found in natural sugar cane.

How is Bod•ē Burn manufactured?

Bod•ē Burn is made at Vemma's facility that meets FDA manufacturing standards called Good Manufacturing Practices (GMP). This ensures our product meets the highest quality possible. Bod•ē Burn is manufactured using a special proprietary process to protect the delicate balance of vitamins, minerals and phytonutrients right up to the moment of consumption. Bod•ē Burn processing and packing is designed to protect the formula's nutrient balance as well.

Can I take Bod•ē Burn if I have a health condition or am taking medication?

As with any dietary supplement, we recommend checking with your healthcare professional before taking Bod•ē Burn in conjunction with prescription drugs.

Is Bod•ē Burn backed by a guarantee?

We are confident that you are going to love Bod•ē Burn and all Vemma products. We offer a 30-day, 100% money-back guarantee. If you are not completely satisfied, simply return your product to us for a complete product refund, even if the bottles are empty!

[FAQs Continued >](#)

What are the benefits of using Bod•ē Burn as part of the Vemma Bod•ē 12-Week Transformation Plan?

When used in conjunction with the Bod•ē 12-Week Transformation Plan, the Bod•ē products support healthy weight management by helping curb your appetite, enhance energy levels and nourish your body with key nutrients for overall health during your body transformation.**

Can I take Bod•ē Burn without following the Bod•ē 12-Week Transformation Plan?

Yes, you may consume Bod•ē Burn without following the Bod•ē 12-Week Transformation Plan. However, to better establish a healthy lifestyle, we encourage you to adhere to the Bod•ē 12-Week Transformation Plan for more desirable, long-term results.

Does Bod•ē Burn contain any restricted substances, narcotics or alcohol?

The Vemma Bod•ē products do not contain any restricted substances, narcotics or alcohol.

Can I use Bod•ē Burn for any uses other than as a weight management solution?

Yes! You may take Bod•ē Burn as a work out recovery beverage or if you are seeking a boost of protein in your nutritional regimen.*

Vemma Bod•ē 12-Week Transformation Plan Questions

What is the Bod•ē 12-Week Transformation Plan?

Harnessing the innovative concept of food cycling, the Bod•ē 12-Week Transformation Plan helps you create contrast in the body, and shift away from eating habits that aren't working toward habits that don't deprive you, but support results and a healthy lifestyle change.** When used in conjunction with the Vemma Bod•ē products, the Bod•ē 12-Week Transformation Plan helps reprogram how your body uses food and helps you understand how timely eating, through food cycling, can become a lifelong fundamental for achieving long-term weight management success.**

When should I start to notice a change in my weight on the Bod•ē 12-Week Transformation Plan?

Most people typically see results within the first week; however, since everyone is different physiologically, individual results may vary.

What is a food cycle and why is it important?

A food cycle is a period of at least 7 days during which you follow an innovative eating plan to help you reprogram your body and help you attain your weight management goals.

Where can I find more information about the Bod•ē 12-Week Transformation Plan?

With the purchase of the Vemma Bod•ē products, you receive a Bod•ē online profile that includes complete details about the Bod•ē 12-Week Transformation Plan, products, texting and added features such as sample recipes and exercises to help support your success.**

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**To be used in conjunction with a healthy diet and daily exercise.
