

PRODUCT OVERVIEW:

Vemma is a bioavailable nutrition formula that contains 12 full-spectrum vitamins, over 65 plant-sourced minerals, wildcrafted mangosteen superfruit, organic aloe vera and organic decaffeinated green tea for the ultimate nutritional foundation. Featuring the unique Eastern and Western wellness philosophy of Yibing Wang, M.D., Ph.D., Vemma incorporates the advantages of thousands of years of traditional Chinese medicine along with cutting-edge, Western-based scientific principles. The Vemma formula is physician formulated, clinically studied, independently tested and manufactured in FDA-inspected facilities with the highest quality standards for a results-driven product. This proprietary formula may be the most powerful liquid antioxidant available anywhere.

VEMMA GOES TO WORK EACH DAY TO:

- Protect** and support a healthy heart.*
- Enhance** immune response and support your immune system.*
- Create** abundant energy.*
- Fight** against free radicals.*
- Promote** good vision.*
- Support** a normal, healthy intestinal tract.*
- Maintain** healthy skin, eyes, teeth, gums and hair.*

CLINICALLY STUDIED:

The Vemma Clinical Trials were conducted by one of the industry's most widely recognized experts in independent clinical testing: Brunswick Laboratories of Norton, Mass. The intention of these studies was to evaluate the efficacy and overall bioavailability of Vemma on immune function and well-being in adults. This was done by subjecting the product to the highest standard of clinical research — independent, double blind, placebo-controlled study. The studies confirmed Vemma showed significant improvements in immune markers, superior antioxidant absorption and a lowering of C-reactive protein (CRP), which points to its beneficial effects on overall health and wellness.*

The **Vemma Formula Inside** seal guarantees you've received the clinically studied blend of 12 full-spectrum vitamins, over 65 plant-sourced minerals, mangosteen superfruit and organic aloe in every serving.

KEY INGREDIENTS:

- 12 full-spectrum vitamins** (including antioxidant vitamins) — Vital for health and well-being.*
- Plant-sourced mineral blend** — Over 65 major, trace and ultra-trace ionic, life-giving nutrients.
- Phytonutrient ingredients** — A blend of powerful plant and natural components that help promote good health.*
- Mangosteen superfruit** — An abundant supply of wildcrafted, whole fruit mangosteen and beneficial pericarp (rind) extract that provides some of the highest quantities of xanthones found in nature.
- Organic aloe vera** — A powerful phytonutrient known to provide the body with many beneficial effects.*
- Organic decaffeinated green tea** — For additional antioxidant power and phytonutrient protection.*

NO:

- Artificial Sweeteners
- Artificial Colors
- Artificial Flavors
- Gluten
- Preservatives
- BPA Packaging

MANGOSTEEN SUPERFRUIT POWER:

Mangosteen is a rare superfruit primarily found in Southeast Asia and scientifically known as *Garcinia mangostana*. No relation to the mango, it has been hailed as the “Queen of All Fruits” and has been used for centuries by Asian health practitioners to treat a variety of health conditions.*

Of all the known sources for xanthenes, the mangosteen supplies some of the highest amounts found in nature. Xanthenes are a biologically active phytonutrient with very potent antioxidant properties. Vemma’s source of mangosteen is wildcrafted, which is the practice of harvesting plants and fruits from their natural or “wild” habitats. Typically, farmers do not apply pesticides to plants and trees in wildcrafted areas. Utilizing the entire mangosteen fruit, including the pericarp (rind) and pulp, along with a proprietary extraction process pioneered by Dr. Wang, Vemma may be the most powerful liquid antioxidant available anywhere.

FACT

The mangosteen pericarp (rind) and pulp were traditionally used to concoct teas, juices and topical ointments.

THE SCIENCE OF MINERALS:

Your physical well-being can be more directly dependent upon the minerals you take into your body than almost any other factor. Minerals help support the health of organs, bones and the immune system.* Vemma has a unique mineral blend to help your overall health.* It contains 100% ionic, life-giving minerals that are reduced to the smallest, most bioavailable form. Vemma’s minerals are sourced from plant vegetation that has been undisturbed for thousands of years. These unprocessed phytonutrients include over 65 major, trace and ultra-trace, plant-sourced minerals.

- The body cannot survive without nature’s fundamental minerals, yet it cannot manufacture minerals. They must be obtained from the diet or through supplementation.
- Modern-day diets may lack the appropriate balance of minerals due to mineral-depleted soils and over-processed foods.
- Minerals are needed for energy production, protection from free-radical damage and other vital functions.*
- Minerals provide a foundation for your optimal health.*
- The liquid form is more bioavailable than caplets or tablets — easy to take and easy for the body to use.

CHOOSE THE VEMMA FORMULA IN VARIOUS PRODUCT OPTIONS:

Vemma (premier nutritional supplement) - 32 oz or 2 oz bottles

Vemma THIRST™ (healthy hydration beverage) - 30 portable packets

Verve® Energy Drink (nutritionally charged energy drink; regular or sugar-free) - 8.3 oz cans

Verve Energy Shot (nutritionally charged energy shot; regular or sugar-free) - 3 oz bottles

Vemma NEXT® (children's nutritional supplement) - 32 oz or 2 oz bottles

FACTS

The human body produces over 300 million new cells each day.

In 2 ounces of Vemma, there are over 90 different nutrients.

SUPERIOR NUTRITION FOR THE FAST LANE

The nutrient supply contained in a daily serving of Vemma is your added “wellness insurance” for filling nutritional gaps in your diet.

It takes about...

2 oranges to equal the amount of Vitamin C

9 avocados to equal the amount of Vitamin E

3 stalks of broccoli to equal the amount of Iron

55 eggs to equal the amount of Vitamin D

1 cup of spinach to equal the amount of Vitamin A

3 cups of peas to equal the amount of Thiamin

19 medium bananas to equal the amount of Riboflavin

62 oz. of cheddar cheese to equal the amount of Vitamin B-12

5 large potatoes to equal the amount of Niacin

61 cups of tomatoes to equal the amount of Folate

2 large watermelons to equal the amount of Vitamin B-6

17 oz. of cherries to equal the amount of ORAC value

37 medium mushrooms to equal the amount of Pantothenic Acid

...to provide the vitamins, minerals and antioxidant power of a two-ounce serving of Vemma.¹

¹ Information compiled from the USDA Nutrient Data Laboratory and *High ORAC Foods May Slow Aging* by the Agricultural Research Service, USDA February 8, 1999 and independent test results.

FREQUENTLY ASKED QUESTIONS:

Why supplement with Vemma?

The answer is simple — Vemma is one complete, ultra-premium liquid formula that provides your body the nutrients it needs for peak performance. Your body needs superior nutritional ingredients that work quickly to support its 63 trillion cells and fight the aging effects of free radicals.* Free radicals are unstable molecules that remove electrons from a healthy cell, destroying the cell in the process. Everyday your body's cells are being bombarded by these unstable molecules. Without a strong nutritional foundation, your cells may be more susceptible to free-radical damage; this proprietary formula helps protect your body from the effects of aging.*

Is it true that xanthones are the most studied group of compounds found in mangosteen?

It is true. This particular class of plant nutrients are highly, biologically active and are unique because they possess very potent antioxidant properties.* Of all the known sources for xanthones, the mangosteen supplies some of the highest amounts found in nature.

Why are major, trace and ultra-trace, plant-sourced minerals used?

Because plant-sourced minerals come from Mother Nature herself! Here's how it works: Plants assimilate minerals from the soil they are embedded in, and in the process, they become highly nutritious for humans to eat. Minerals can be found in nearly all foods that are grown in soil, but the problem is, modern-day food processing, chemical fertilizers and overused croplands make it nearly impossible to get a wide spectrum of minerals from our diets. Vemma's minerals are not man-made, but are carefully extracted from plant vegetation that has been undisturbed for thousands of years, to help replenish the full spectrum of minerals, at levels that nature intended. Major, trace and ultra-trace indicates a level at which a mineral might be needed within the body; however, it is not indicative of the importance for that mineral — all minerals are vital to life. In minute amounts, these nutrients can produce unexplainable, beneficial changes in body chemistry.*

Which minerals are included in Vemma's proprietary mineral blend?

The proprietary mineral blend contains over 65 major, trace and ultra-trace minerals. Because we source our minerals from naturally occurring plant vegetation, the level of individual

minerals may vary slightly from batch to batch. The proprietary mineral blend in the Vemma formula contains the following minerals:

Carbon (Organic), Calcium, Sodium, Sulfur, Magnesium, Chloride, Bromide, Fluorine, Iodine, Potassium, Niobium, Aluminum, Iron, Phosphorus, Silica, Manganese, Boron, Strontium, Titanium, Tungsten, Copper, Zinc, Tin, Zirconium, Molybdenum, Vanadium, Chromium, Selenium, Nickel, Cobalt, Lithium, Gallium, Barium, Yttrium, Neodymium, Hafnium, Cadmium, Thorium, Antimony, Cerium, Tellurium, Beryllium, Samarium, Dysprosium, Erbium, Bismuth, Gadolinium, Cesium, Lanthanum, Praseodymium, Europium, Lutetium, Terbium, Ytterbium, Holmium, Thallium, Thulium, Tantalum, Germanium, Gold, Platinum, Rhodium, Rubidium, Ruthenium, Scandium, Silver and Indium.

What is organic aloe vera and why is it important?

Aloe vera is a plant that originated in Africa and has been used for centuries because of its versatility and life-supporting properties.* It is comprised of several important nutrients, including life-giving minerals, vitamins and polysaccharides. Each bottle of Vemma contains organic aloe vera, which adds multi-faceted benefits that can have a positive impact on one's daily dietary regimen.*

Why is organic decaffeinated green tea important?

Green tea is well studied and documented for its traditional use and healing ability.* Organic decaffeinated green tea is added to Vemma because it possesses numerous compounds that provide additional antioxidant protection and health-enhancing properties.* We elect to use a decaffeinated source to keep our consumers' best interest in mind since caffeine consumption may not be appropriate for everyone.
